4. Responsible Analyst: ██████████, GG/F.
5. Kind and Extent of Cooperation Desired from:
 - a. Other divisions of the Geographic Area: D/GC to prepare one small-scale orientation map and a few generalized topographic maps at larger scales
 - b. Other parts of CIA: Routine library facilities to be used.
6. Estimated Man Hours: 100
7. Probable Completion Date: September 1958
8. Form of Final Publication: CIA/RR-GM-
9. Special Recommendations Regarding Distribution of Finished Report:
The Memorandum to be controlled NOFORN.
10. Comments: Much of the necessary research has already been accomplished as a part of Mr. ████████ routine research responsive to the Taiwan Strait crisis. However, consideration of the results of his work to date and survey of published studies on the offshore islands done by other units convinces us that publication of the results of Mr. ████████ research as a GM at this time would serve a useful intelligence purpose.
